

# NASHOBA COMMUNITY PARTNERSHIP FOR CHILDREN

Bolton, Lancaster & Stow

## NASHOBA NEWS 2021

Dear Nashoba Families,

Do you recall the feeling of when, as a child, you were given a compliment, or scolded? I do, especially the compliments. I still carry the good feelings from certain sincere kind words I was told as a child. Our words have an impact; on those we encounter, on our children and loved ones, on ourselves. When reflected on, it reminds us of the important part we play with others, especially our young ones. Using our words to brighten someone's day, well, there's nothing quite like it. I believe it starts with reminding ourselves of our own worth, and treating ourselves with kindness and grace. When we do that every day, we feel energized and happy. We can then pass on that positive energy in our words and acknowledgements. Believe me, children will remember the feelings your compliments conveyed.

Wishing you joy and happiness,

**Liz Garreffi, MS, CCC-SLP**
