Administrators and teachers will schedule events with consideration given to religious holidays and cultural traditions celebrated by our Nashoba community. Students who are absent as a result of their religious or cultural observances will not incur penalties due to that absence. Make-up privileges should be the same as the make-up privileges offered to a student who has an excused absence due to illness.

Students and families are encouraged to communicate with teachers or their school principal in advance to make them aware of religious or cultural holidays that may impact their child's attendance or ability to study or do homework during those observations.

To view a list of religious, ethnic and cultural observances that may impact a student's attendance or school work, please see the Calendar of Observances at www.adl.org/resources/tools-and-strategies/calendar-observances.
